Callie Creech

JAN 29, 1938 - FEB 11, 2025

Callie Creech, age 87, of St. Clair, went to be with the Lord on February 11, 2025. She was born in Cutshin, Kentucky on January 29, 1938 to the late Lillie and Mary Williams. Callie graduated from Leslie County High School in 1959. She married Frank Creech on February 18, 1965. Frank preceded her in death on July 16, 2000. Callie was a proud mother, who lived for her family. She enjoyed baking, especially her famous pumpkin rolls, where her and her family would spend countless hours making rolls. She appreciated music, and often listened to gospel or country. Callie was talented at crocheting. When she was outdoors, Callie spent a lot of her time tending to her garden. Above all, Callie cherished the time she spent with her family. She loved hosting parties; Thanksgiving, Christmas, birthday parties, anything to be with her family.

She is survived by her children, Edward (Sunday) Creech, David (Jennifer) Creech; grandchildren. Lauren, Stephanie, Jared, Jennamarie, Callie, Wyatt, Charlotte.

She is preceded in death by her daughter, Susan Creech, as well as 12 siblings.

Callie was a very kind person. I remember my mom and I would sometimes come over to her home and she would make a fabulous dinner. She could really cook. I miss her. I also miss her daughter Sue who was once married to my brother.

I am blessed to have many fond memories of my grandmother, teaching me how to bake, reading me Dr Seuss books and being the only person that would play endless games of Chinese checkers with me. I cherished her home and all the comfort it gave me, from the feeling to the smells. My playground was her yard. We gardened together and fished and played around the world at the basketball hoop every time we were able to. I would mow her massive lawn because I loved it so much, but she'd sneak me \$20 for it anyways. I sat with her many afternoons and evenings, watching 'the regulars': Price is Right, Wheel of Fortune, Jeopardy, Days of Our Lives and the news. She'd also sneak Matlock and Murder, She Wrote in there too. I'd watch her in awe at how fast she could crochet and watch TV at the same time. Many things I do in life with her in mind. I remember her fondly, think of her often and love her always. May she rest in peace.

My journey with Ms. Callie started 14 yrs ago when the good Lord guided us to buy the house next to her. We became good friends immediately, I'm positive it was her southern charm 😊 She was the most generous, kind, unselfish and beautiful person inside and out that I have ever met. You all know southern people love to cook and boy she cooked, canned and baked. Don't get me started on all the cookies she shared with my family. I will miss my dear friend, especially the tea and coffee time we had everyday.

I remember her from my childhood. She would sing while working in her kitchen. I would hear her when I came by to see Susie. Her southern accent was so sweet. Such a kind lady. God bless her.
