Sweet Katie, You had such a gentle touch, sunshine hair, and an infectious giggle, we were blessed to know you at Woodland, and to work with you. An angel called home.

Shirley and Jerry, My heart shattered when I heard of Katie's passing. I enjoyed my time working with her at WDC and also in your home doing respite work. Katie always had the most contagious giggle, and she was also a very determined young lady. She always amazed me how she would pull herself up to navigate around her room. She was a blessing to all who knew her. She had two of the best parents ever. You are all in my thoughts and prayers at this very difficult time.
