Judy Ann Charron

OCT 21, 1955 - FEB 24, 2025

Judy Ann (Bremerkamp) Charron of East China, MI passed away on February 24, 2025 peacefully at her home surrounded by her children.

Judy received her associates degree from St. Clair County Community College. She retired after 34 years working as a registered nurse for Port Huron Hospital.

Time with friends and family, especially her grand and great grandchildren who knew her both as “Gramma Mellow” or “Grammar”, were what she valued most in her life. Judy had many hobbies throughout life; camping and kayaking, spending hours by her pool or at the beach, taking pride in her gardening and watching the hummingbirds, her craftiness with sewing and knitting, her love of sweets and baking, traveling, weekends away scrapbooking, or reading a good book and spending time with the girls in book club are all things that brought her great happiness.

Judy is survived by 2 children and their families; her son Anthony (Jennifer) Charron and grandsons Andrew and Aiden Charron, and her daughter Brandy Charron, granddaughter Samantha Knowles and great-grandson Noah Lucero.

Judy is also survived by three brothers; Michael Bremerkamp; George (Debra) Bremerkamp, and Donald (Carita) Bremerkamp.

She was preceded in death by her parents; George and Thelma (née Hofmann) Bremerkamp, brother Frederick Bremerkamp and sister Joan (Reynold) Job.

Her family and friends will cherish her memory. To honor Judy’s wishes, there will be no funeral or memorial services. The family welcomes you to share any comforting words, photos or loving memories you have of her.

I'm so very sorry to hear this and sad. I worked with Judy at Port huron hospital years ago and we became very good friends. We went to Arizona together and had a great time. I will always have great memories of our time together. We managed to stay in touch by phone and Facebook. Rest in peace my dear friend you will always be missed

I'm so sorry for your family's loss. I have scrapbooked with Judy a few times with my Aunt Diane. I always looked forward to discuss our nursing careers. I remember some stories she would tell about her April fool pranks she would play on her co-workers. She always brought her favorite cheesecake to our crops and gave us the recipe. We will carry on that tradition in honor of her.

Tony and Brandy, Words just can't say what my heart is feeling. I have been friends with your mom since 5th or 6th grade. She was a true friend. We have been through some crazy stuff together. I was going to visit this past weekend but she said she was sleeping most of her day so was going to go this afternoon (26th) when my daughter called and asked if I had seen the announcement on FB which I had not. Any way like I said we had been through so much together: Boyfriends, driving mishaps, lost glasses, weddings babies, divorces.... but my favorite memory of your mom was the year we went to Kings Island. We were probably 13-14. We were walking around the park and one of her sandals broke and since you had to have shoes on to ride the rides she asked my dad if he had any rope or twine in his car and sure enough he did (He would have bought her a pair of shoes but nobody sold them at the park) she sat and proceeded to macrame a pair of sandals!! Problem solved. LOL. I will truly miss one of the best people in my life. Prayers and big hugs to those she left behind ☐
☐

I remember when she graciously looked after our cat Maizy for several months. That was the first time I met her. She and Tom worked together at Port Huron Hospital, he always spoke highly of her. He recalls how she held his hand while having a medical procedure. The long ago lunches they had together, long conversations and even a few shopping trips. What a wonderful lady who will be so missed by all. We pray for peace, strength and comfort for her family during this time of mourning.
