Lana Schaperjohn sent a virtual gift in honor of Gary.

I'm so sorry for your loss. I talked to Gary 3 days before his birthday. We had a good talk. We did some reminiscing of the things we did in Evansville. Sure will miss you my old friend.

Gary was an important part of my life. We were boyfriend and girlfriend a long long time ago. Then after a while we became friends again. He took me hunting with him, and tried to teach me how to shoot a deer. He teased me not long ago that I was the only girl that got to drive his Camaro. You'll be missed my friend. May perpetual light shine upon you.
