Dear family, we are so saddened to hear of the loss of our beautiful Alice. We have such precious memories of our time together. Alice always brought sunshine to my everyday. Thank you Laura, Wesley, Trent and Gwen for sharing your mom with us. Alice, we never got to open our little gift shop up on Mackinaw Island after our retirement, but we sure had fun buying stuff for it! Alice always finished our conversations with "love you" and to you Alice and your family I say "love you". Alice...keep the coffee pot on...!I'll join you some day again. She touched many lives and we are grateful to have been a part of her life. Children... may you find peace with your beautiful memories. She will be missed. Love from Kathy, Walter, Elizabeth and Franz Schreiner
