Brenda Joyce Albo

MAR 28, 1955 - MAY 14, 2025

Brenda Joyce Albo (Harris), beloved wife, mother, grandmother and friend, passed away peacefully in her home surrounded by family after a journey with dementia on May 14, 2025. She was born March 28, 1955 in Detroit. She attended Melvindale High School.

Brenda was the devoted wife of Anthony Albo and loving mother to her six children, Thomas Sarkody, Christie Sarkody, Scott Sarkody, Anthony (Kyla) Albo, Joshua (Emily) Albo and Ashley Albo. She was also a cherished grandmother to Chloe Sarkody, Kailey Sarkody, Dustan Mizell, Scottie Sarkody and Amara Albo. Her heart extended beyond people to her two adorable fur babies, Lily and Isabelle, who brought her daily comfort and joy.

Brenda had a deep love for life's simple and beautiful moments. She found joy in dancing to music, her spirit always lighting up at the sound of a favorite song. Nature was her sanctuary, she held a special fondness for butterflies, hummingbirds and dragonflies, which she believed were gentle messengers of peace and transformation.

When Brenda loved, she did so with her whole heart. She cherished her husband, Tony, with that same deep devotion—they were married on July 4, 1989, and shared a bond rooted in love, laughter and unwatering support. For those who knew her well, her love was reflected in the warmth of her home—filled with joyful knickknacks that brought her true happiness and told stories of a life well lived.

Even as dementia took pieces of her memory, Brenda's heart remembered what mattered most. Though she may not have always recognized the faces of her loved ones or recalled the names that tied them together, she always called out for her husband, Tony. His name was her comfort, her constant—her safety in the fog of confusion.

Her warmth, laughter, and loving presence will be missed by all who had the honor of knowing her. Though dementia may have touched her mind, it never dimmed her spirit or the love she gave so freely.

If I was asked to describe my Aunt Brenda I would tell you that she had the biggest heart in the world. Aunt Brenda was one of the most beautiful people who was always smiling and simply just radiated so much love and positive energy that it filled up the room everytime she walked through the door. If you were one of the lucky people that Brenda loved in this world, you knew it because she was sure to tell you every time she spoke to you. Our family has suffered huge losses in the last few years and even though we know that Aunt Brenda has gone on the next adventure to reunite with my Dad, Grandma Elaine, Cindy, and the rest of our family in heaven. It doesn't make saying goodbye any easier. Aunt Brenda presence here on Earth left a lasting impression that will never fade, and all of the love she put out nto the world and into our family will be greatly missed and never forgotten because we will carry it with us forever.~David Harris

I was glad to call Brenda my sister in law for 30+ years. I will always remember that laugh of hers. It was so infectious. Even if you were feeling down, her laugh would pick you up instantly! One (out of many) fond memories I have was dancing together at our cousin Rich's wedding and Brenda fell down on the floor and was laughing so hard she could not get back up. She pulled me down and we were sitting on the floor together laughing for what seemed forever! Her smile would light up even the darkest of rooms. I enjoyed spending time with her and my brother Tony up north at their place. She would sit outside on the deck and just listen to what was going on around her. I truly believe she was at peace being outdoors. Fly high dear Brenda and I won't say Goodbye, but "see you later" Love you!Debbie
