Norman Joseph Becker

DEC 23, 1950 - MAY 31, 2025

Norman Joseph Becker took his last breath on May 31, 2025, as the wind and bird chirps filled the room. He was in complete comfort and peace, surrounded by his family. Norm was 74 years old, of East China, formerly of Eastpointe. He was born on December 23, 1950, to the late Francis and Emily Becker. Norm was a graduate of Nativity High School, class of 1969. Following high school he earned his associates degree from Macomb Community College. Norm went on to receive his bachelor's degree in engineering. He married the love of his life, Linda Solt on June 9, 1973. Norm began working as an engineer with United Technologies Automotive, which is now Lear. A place where he worked diligently for over 30 years. He went on to work for Marquardt Switches for about 10 years until his retirement. Through hard work, traveling all over the world, and dedication, Norm was very proud to earn several patents and accomplishments in his tenure. When he was not working, he would be found outside. As an avid outdoorsman, Norm enjoyed gardening, golfing with his brother, Rich, as well as going fishing with his family at the cottage on Lake Ogemaw. Norm was an avid Detroit sports fan, who was well invested in supporting his home teams. Above all, Norm cherished the time he spent with his family. He was always a part of the children's extracurricular activities. From coaching to boy scout leader, to later attending his grandchildren's events. He was very supportive in what his family wanted to do and made a point to be present with them. Norm was a proud provider, devoted son, husband, father, Bacca, brother, uncle, and friend to many. His selflessness and generosity will be missed by all who knew him.

He is survived by his wife of 53 years, Linda; children Michael (Amy) Becker, Robert (Deania) Becker, Amanda (Jason) Zakens; beloved Bacca to, Jacob, Elizabeth, Jason, Emma, James; siblings, Emily, Donna (Dave), Rich, as well as numerous nieces, nephews, family members and friends.

Dear Dad, I cannot believe you are gone, and I will never be able to hear your "hello daughter" again. Although I want you here with us I know you are free of pain, and your brilliant mind is restored. Thank you for being the best Dad, and always making me feel so special. You always supported me no matter what and were there when I needed you the most. As a little girl I loved dancing on your feet and running and jumping into your arms. 46 years is not long enough, because I don't know how I will go on without you. I knew you were great but hearing everyone talk about how much they loved you makes me so happy. You touched so many lives with your kindness, love, vast knowledge, and your welcoming smile. You taught me so many things and I loved hearing all your stories and listening to you tell them to me over and over. I loved the way you made everyone feel welcome and how you loved your family. Your grandchildren were lucky to have the best Bacca around. I know you didn't like Bacca at first but you learned to love it because you loved your grandchildren. So Dad until we meet again save a dance for me! Love Amanda
