Thank you for sharing this. It put a smile on my face. I have heard many stories of your shenanigans as only dad could tell. I would love to hear more stories if you ever have time. I believe you still have moms' number, or you can text dads' phone and I'll get it from there. I am Perfecto's son David. Thank you again and all who commented. He truly touched more lives than he ever knew!!

What a gift God gave me that I was able to spend time with my uncle recently. It was so good to be able to just talk and spend some time together. I will always remember how he pulled me to the side at the reception so we could just talk and laugh. He knew how to make me laugh. I loved his dry and sarcastic sense of humor. Whenever I'd think of Uncle Perfecto, I would just shake my head and smile over something he posted on FB or one of his sassy comments. I will miss him. He will leave a hole for sure. My prayers are with Aunt Mary and all the family who are just as precious. All my love, Yvonne Fajardo Ward
