Gary, Belinda, and Mark. To this day, I'm so thankful for the loving memories I have of both your mom, and dad. They were there for me after my father died in 1968. We spent so much time together. Your dad was always helpful through these times. I enjoyed working with your dad when he was employed by Harland Westbrook. I have very, very joyful memories. I know him and your mom are back together ❤️ May they rest in peace 🙏
