Jim, Sharon, Dale and the rest of the family. I am so sad to hear of Aunty Verna passing. I have lots of memories of when her and Uncle Bob would visit England and also us visiting them many many years ago now. Your mum would always take the mick out of how we said "wa-er" instead of "water" always a smile! I just know she is reunited with my grandma and their sister now and I hope that they are at peace. Lots of love to you all at this sad time ☐☐

Thank you so much Hayley. Mum had such fond memories of all of you and loved "seeing" everyone on FB. It is comforting to know she is reunited with her sisters and mum and dads.

Dear Jim, Dale, Sharon, and family. I'm so sorry to hear about the loss of your mother. I remember your mom as she would open the front door of your house to correct us boys because we would be doing something we shouldn't and she had that British accent, that we found unique. She was always very nice about it and never yelled. My deepest condolences. Ralf and Rochelle Hiebl
