Momma, when I was born, I gave you a run for your money with my health problems. You fought for me as I fought hard for you these past couple of months. I am trying to get past the thought of losing you and trying to learn how to push forward to learn to live without you. You were always in my corner good or bad. We had our moments for sure. I am full of gratitude to have you as my Mom. Your love and life lessons will always be instilled in me. Thank you for your love. Love and miss you so much. Rest easy, I'll see you when I get there.

My dearest nana, I will forever hold the memories we shared together deeply in my heart. You were always there for me when I needed you the most. I will never forget you being there at every birthday of mine, every graduation, and every milestone that I have encountered. You were one of my biggest supporters, and I will always cherish that so very much. Thank you for all of the laughs and encouragement you have ever gave me. I'll miss you more than you know and I will love you for eternity. Rest in paradise, my sweet angel! 🕊️

I've known Karen since I was about 10 yrs old, she was best friends with my sister Terri Gamble-Hoppenworth who passed in 1978... My sister and Karen were so funny together they always had me laughing, she used to call my dad Mr Mark which my dad thought was hilarious. I am so sorry for everybody that cared about and loved her, you are in my thoughts. Especially her daughter Tanya 😞 try and remember the good times, because I'm sure with Karen there are lots of them to remember ❤️ RIP Karen 🙏
