Jonathan you were so much more than just our accountant. You were there for me as a struggling single mom trying to figure out how to support my children. You were there to support, guide, encourage, and advance Chris & I as we embarked on our life together. You brought us second chances and it was such a gift to know you. We are devastated by this loss and will miss you in our lives. We lift up your wife, son, and family in prayer. Until we meet again friend, rest in everlasting peace 🙏 Chris & Stacey Ary

I'll never forget the genuine love you've shown to me and my wife. John, you always made everyone feel welcomed and you and Rula are the most hospitable, caring, selfless and perfect reflection of the Jesus' teachings. They say "the good die young", but I say "legends live forever". John you are a legend and I am honored to call you a friend. We will see you again and I look forward to that day very much.
