My Dad, Ralph Pfingst, was teacher, coach and finally Superintendent of Marine City High School from 1937 to 1956. As Coach, he was always very close with his teams - having them over for different activities. I remember Louie and his sport buddies very well. He was always very friendly to me (a little kid) and I remember Daddy talking about him often. I pray God gives Louie's family a peace which passes all understanding as he begins the rest of his life in Heaven. Pat Pfingst HenkeMCHS class of 1956 Charlotte, NC
