Laura was such an amazing Mother, friend, inspiration, and LOVED by many! I soooooo enjoyed our time together this past summer at our retreat and so grateful she took the time for herself (which she rarely did). We had fun just hanging out eating, sitting by the bonfire, kayaking, and just just relaxing and enjoying each other and nature! May GOD comfort your family and hold you all close in his loving arms through this difficult time. Prayers Chanda

I met Laura through Operation Transformation and Life in Christ Fellowship. Our relationship was forged over the last year and a half as we shared about growing in our faith. We prayed and encouraged each other. Please know that Laura was known as a selfless person who cared about and helped so many, in her family, workplace and the recovery community. While I am heartbroken over her departure from this world, I am confident that she is at peace in her heavenly home. Laura's memory will live on in the hearts of those who knew her - mine included! Blessings, Brenda Seppo

There are so many wonderful memories I have with you Laura...but I will always remember when we lived at peak and we were both always the first ones up...we would have our before coffee good morning grunts to each other lol...and then sit out back and talk and gossip. You stood up there by my side with me on my wedding day. I know we hadn't seen each other much after you moved back to St Clair but we stayed in touch and talked often...I REALLY wish we would have followed thru with our plans to hang out...I will miss you SO MUCH...love you forever lady
