“ To Betty's Family

I was in Eastern Star with her when they had a chapter in Marine City. I will miss her beautiful music. She was a wonderful and caring person. You are in my thoughts and prayers.

“ Betty was a kind-hearted Christian lady who had a passion for music, especially the organ.

She was a great teacher of music and made many friends through her teaching and playing. My wife and I traveled with Betty and Ray to many organ concerts and organ demonstrations over the years, in the Detroit area. She was fun to be with and was very knowledgeable concerning each artist. She knew them all in a personal way and made it a point to compliment them on their performance.

The Lord gave Betty many years to help others. She used them as He had intended and now has reaped the benefits of loving and serving Him! Heaven is now her home.

With sympathy to Eric and family,
