“ The most beautiful, sweet and kind hearted women. I was blessed to have known her for the short time I did. Heaven is an even better place now that she is with her lord.

“ My grandmother Elizabeth Smith, McCauley was a inspiration for everyone to follow, my heart is broken by her passing, I know she's glowing at this- world and looking over her family, there are no words about the hurt that I'm enduring, yes time will heal, but I'm not feeling it now. I'm going to take the time I had with my grandmother and use her ways for the rest of my life. I'll miss you grandma forever and I love you so much!
