“ We are all so sad John was taken from us. He was such an amazing sweet, kind hearted person. I dont think there is a single person who knew him that wouldnt say the same. He really was a big kid at heart too, all the kids love being around him because he was always so much fun. Whenever we would leave a party he would follow us out to our car and say I know your not trying to leave without giving me a hug! He always made sure we got that hug. He truly will be missed. I was always so proud of what an incredible husband and father he was. I have said this before and I know it is true, God always takes the really special souls away from us way too soon. RIP John, you will always be in our hearts.

“ My brother Donovan and I used to love playing at Aunt Debbie's house. John, Robert, Donovan, and I (the twins were still little) used to have sleep overs, dive to the bottom of the pond, jump on the trampoline, explore, play in the chicken coops, and have gigantic bonfires at night. We had so much fun! I also remember taking cover from tornadoes in the basement at Aunt Debbie's house- us kids thought that was exciting! So many memories from a long time ago. I haven't seen John in a while but I know he was a great husband and father, and an all around good man. I will miss knowing that John is in this world. He will be missed by so many, a true testament to the person he was.

“ Johnny was a great guy with a kind heart who always seemed to have a smile on his face. He helped us with a project at our house once and brought his daughter and Charlie over with him to swim. Charlie saw the pool and charged up the deck and dove into the pool. Johnny had a good laugh over the dog in the pool. Savannah and Charlie swam together but we had a hard time getting Charlie out of the pool. Amanda came later for dinner with us. He has worked with Dave for years and he will be greatly missed. Our heart felt sympathy goes out to Johnny's family. Sincerely, Dave and Maureen Solgot
