“ Thank you Desot Family for sharing your mother with mine. Aunt Mag was a wonderful example of what a human should be, thoughtful, caring, loving, considerate, kind, inclusive... there's so many good things to say about her. But I would like you to know that her example of humanity is what gave my mother hope as a young person to grow into the kind person my mother is and to be the great mom she is to me! Aunt Mag's presence has been and will be felt for generations. I wish you and your families peace during this sad (yet, joyful, because we know she's in heaven) time. Much love, thoughts and hugs, Colleen

“ DeSot family, you all are in my thoughts & prayers. I haven't seen Aunt Mag in a very long time, but she always kept in touch with Christmas cards throughout the years. Fond memories from visiting while growing up - she will always be in my heart...

“ How to summarize what Mag meant to me-I only know that she was my everything in life. She was like a mother figure for me, a friend, a big sister, a teacher, a confidant, my religious mentor, she was full of advice, opinions, teaching me so many things, sharing and caring for me in ways many can't even begin to understand. I loved her smile, sense of gratitude for all things, fairness, generosity, including me and my family once I married, She loved her life, her family, her husband, cooking, sewing dancing, planning parties, holiday dinners, camping, bowling, doing crafts, playing games and cards, but mostly I think she loved the children, especially the babies. She was the glue that kept everyone together. This is but the tip of the iceberg but I am so happy in knowing I have the memories of so many wonderful times. It has been my great privilege to be included in the DeSot family, I love you all. Margaret you will be missed by many, especially me.. Rest in peace and say hello to Chuck and Rob and Joe for me; until we meet again, love, Carole
