“ Mike was born to be a coach. Mike was more like a player/coach on the Holy Cross football team. You were proud to be a friend of Mike Miller. You were proud to be a teammate of Mike Miller. What fond memories, lifting weights at Coach Egans, riding around town for hours or hanging at the Millers visiting with Milt and Ursula. Hank, you are an amazing brother, even as kids by Mike's side. Thank you my friend for caring like you did.

“ Mike & I attended Holy Cross together. He played right tackle while I played left on the Crusader football team. Mike's good natured laugh & smile will always be remembered. It has been said, "Where ever a good soul has walked, there is a trail of beautiful memories".

This statement certainly applies to Mike.

“ I had the complete Blessing of meeting Mike back in 2017 when I was visiting Henry and running in the Free Press Marathon. All I can say is I will always remember the meeting on the road along the river as well as having coffee later that morning. Such a kind spirit seemed to be around him. I know later he was asking "about the friend from Ca. I feel very fortunate to have met Mike and spend a little time with him on this planet. I do hope we will see each other again. Rest in Peace my friend.

“ Rarely does a coach come along who prepares your kid so well - not only for the next competition, but for life. Mike felt so strongly about creating good humans first and superstars second and I appreciated that he had a vested interest in my son. Every time I ran into him, Mike couldn't wait to hear what he was up to. Rest in peace and love Mikey, you will be missed.

“ I'm writing this with a heavy heart. I have known mike aka “Jugger “ for over 45 years. From playing rec ball on Gar's team to hanging out at his house and to working together at Luke's beer store. There are just so many memories of him and his bubbly personality. From life guard to Coach I can just imagine how many lives he has touched. Well ole friend your battle with the terrible “C” is over and it's off to better things in the after life. I hope we meet again . GOD BLESS you and your family.

**Joann-David** - March 11, 2019 at 08:29 PM

“ He lived live with his heart, coached with his heart, was a kind and good man.

“ How big would the book be if all the stories about this gentle giant were to be told? Sitting next to Mike at his event on Belle River Road we swapped tales of lifting weights and many a spin around the idiot circle back in the 70's. What hit me most is what cancer can't do. I peered into the eyes of of a man that was basically a big heart with two legs attached. This nasty disease broke down his body but couldn't put a dent in the armor of his soul. What a blessing to all the lives he touched. Henry, everyone knows how close you two were. Be assured your brother still has your back. As you run into a headwind what a joy, what a blessed assurance it will be to have Mike being right there at your side. — Ed Hingelberg

“ Mike would always have that wonderful smile. We had fun working together for several years for Marine City Summer Recreation with Joe Beck as our boss. Lifeguarding, cutting grass in the parks, and setting up and cleaning up for the Marine City Summer Festival. I would always see him at the Marine City Mariners football games and at the high school swim meets. The last time that I saw him was at the Riviera restaurant and he looked great.

He was just a joy to be around. Mike will always be remembered and missed by anyone who knew him.

“ Sorry I'm a bit late on this message to Henry and Mike's family, but news travels slowly across the Pacific. My condolences on your loss. Mike Miller, aka Jughaid as he pronounced it, was a great friend. I'm sorry I didn't see him more over the years when I visited MC. I have great memories of life guarding at the Edison, and playing softball for the Corner Grocery. There was a weekend at EMU, but I don't remember much of that. And of course we had a lot of fun introducing Spike from England to the USA. Rest in peace, my friend. Zheesh!
