“ Mike and Rowdy are greatly missed already. Work will never be the same not seeing Mike out walking Rowdy or sitting on the tailgate of his truck. Will miss our conversations. Mike was a caring & thoughtful man. If I had an issue or was looking for something, he would research to find what I was looking for, He would always do what he could to help. He always assisted Dave grill the hamburgers & hot dogs for our annual BBQ's at Rolling Brook. I'm glad for the time I got to know Mike and feel I'm a better person for knowing him.
