“ Had the pleasure of meeting and knowing Millie when she lived at the senior apartments at Mariners Cove... my mother moved in shortly after Millie... I think Millie was a one -woman welcoming commitee... they became very good friends...

“ Mildred and Art were two of the nicest people in the world. They were like family to us and my kids considered them to be like grandparents. We will always remember them. We are sure that Mildred is happy to be with Art again.

“ I had the pleasure of working with Millie during her stay at Marwood, she was such a wonderful woman. She always had a kind word or joke to share, she loved to laugh. Every time I see a cardinal I think of her, I am happy that she is free of her pain and do all the puzzles she wants to now. My thoughts and prayers are with her family, know that she saw a bright spot in my day for many years and will be greatly missed.
