“ I knew Pam for many years, we met at Aunt Monica’s salon in Algonac Colony Cut N Curl. Pam and I had a relationship that was so special and true that we could just talk about anything. When Pam heard that my first husband passed away she was right by my side. When I found myself again and I got my life Back, And I always wanted to be with my first High School crush after 30 years later... The day I told her I was marrying him Mark Jonas from Pinconning, she was just so very happy for us, plus Mark got a talking to from her. Lol. On June 17, 2017 we got married my love of my life, my true love, Pam was there! She said she had the best time because she never saw me so happy! In 2 years she has gone down hill we saw her for a big surprise for Aunt Monica on her 80th Birthday Party, Pam made it. “ My love letter to Pamela, my sister (in-law).
Dear Pamela, you didn't deserve to die this way. That disease took you even though you fought like a warrior. Although it was heart breaking for me to watch your battle, I will treasure the time we were together, just like we talked about. I'm glad I was able to tell you and show you how much I love you and I'll always remember that the last words you said to me were that you love me too. I miss you Pamela and will miss our talks in my backyard and I'll miss all the lively chaos and noisy drama that followed you around or that you created just by being the lovely, fun, vivacious person that you were. Tell mom how much we love and miss her too. You did your best caring for her. You raised a wonderful son that you can be proud of and, as we are his family, we'll surround him with our love. We'll be there to provide support and love to your sweet husband. So now you can rest with peace of mind and body. Your battle is over, your life well-lived. You took care of everything, now let God take care of you.
Love, Sandra
