“ Judy and Deb, Larry and I were blessed to have shared special memories with your mom the times we visited Michigan. She was an amazing woman who enjoyed life with joy and grace. Her love of family, friends and her darling Annie was always top priority to her. I remember when Larry and I were visiting once and driving in our car with her she pointed out the smoke stack in the distance and commented how beautiful the clouds of smoke were! She took something a bit unsightly and still saw the beauty in it. That's how we will always remember her. Embracing life to the fullest! Love you Aunt Shirley. Larry and Jane Kammer

“ Judy and Debbie....sorry to hear about Mom. There is not enough room to share all the laughs and good times we shared with her and John thru the years. I can only hope that your memories of her live on forever

“ I had the very best Aunt in the world! She was firmly together with God and Faith. She loved dearly Debbie and Judy sharing a lifetime of memories with them to be with them at times of grief. God created a lady of kindness, love for life, a smile second to none but most of all she shared all these with family and friends. I will forever cherish the time spent with my Auntie Shirley and her memory remains with Debbie and Judy. Thoughts and prayers are with Debbie and Judy during this difficult time.
