“ Dear Willard and Barb, Jerry and Sally, and Families,
We were just made aware of Billy's passing yesterday. While we haven't seen him in quite a while, memories came flooding back. The only vacation we (Littrell family) ever took during my growing up years was to go "down home" for a couple of weeks in the summer. I am the youngest of my sisters, so I was just a kid to the Hale Boys.

I love your family dearly, Uncle Frebert and Aunt Opal, were always a highlight. Aunt Opal and Aunt Net would allow (actually welcome) me to hang out at the store across the road from Mammy's, where we stayed. Mom would always fuss about that, saying they didn't want me over there, but she was wrong!

Then in the evenings we would sit on Mammy's porch and I LOVED it when the Hale Boys stopped by. They called me Linda Doolittle.

Billy would stop by our house in Deer Park when he came through Cincinnati. Always a treat to see him. He would bring watermelon sometimes and we would sit in the back yard eating it. One time he brought me a bottle of perfume, I think for my high school graduation. He was always kind and thoughtful and nice to be around.

We thank God for His promises, that Billy was a follower of Christ, and that those of us who do the same will see him again one day.

Praying for your comfort.

Love, Cousin Linda (Littrell) Reidelbach

PS to Willard since I don't have your contact information: Donna's husband, Jerry, also passed away on Monday. So if you tried to call Donna, she has been at her son's house since then and would not have heard your voicemail. I will let her know.

“ Although I did not get to know Bill very well. He was such a kind neighbor, always a joy to see in the mornings, out on the balcony of our apartment building. He always came down to see my beagle, Lucy. Lucy just loved him. He also loved to instigate her, it was quite funny. He would howl like a hound dog to get her going. He loved to hear her howl at the rabbits and squirrels. I am truly going to miss seeing him. I am blessed to have been able to know him. We all are.

We will miss our beloved cousin, Bill. Although our time together was limited, it was always very special to us. We are so blessed and thankful for our very fond memories. As we grew up, we looked so forward to his annual visit through Cincinnati. We always enjoyed sharing a meal with Bill, listening to his stories and a mutual appreciation for music. Our visits to see Bill in Michigan provides us some of our best memories and they will be treasured. Bill was one of the kindest, most thoughtful, faithful and fun individuals. He will always hold a special place in our hearts and will truly be missed.
